

Hino Central, Canada's largest Hino truck sales group, is looking for a **Heavy Duty Mechanic** who has achieved Red Seal Journeyman designation and holds a valid CVIP license to join our Calgary team.

Technician duties will include but not limited to:

- Have excellent communication and organization skills
- Have the opportunity to give back to the trade by mentoring apprentices
- Have a strong mechanical aptitude and have the ability to handle multiple tasks
- Assess work orders, diagnose faults and malfunctions by examining the vehicle, using testing equipment, and carrying out test drives
- Dismantle faulty assemblies and repair or replace worn or damaged parts
- Reassemble, adjust and test new or repaired components
- Perform scheduled maintenance services such as oil changes, lubrications, and tune-ups
- Advise others on work performed, general vehicle conditions, and future repair requirements

Qualifications:

- Red-Seal Certification as a Journeyman Heavy Duty Technician
- Valid CVIP license (or qualifies to obtain one)
- Cummins experience as an asset
- Good all-round knowledge of the trucking industry, part of your experience preferably being with an OEM affiliated dealer

Our employees enjoy:

- Exceeding their customers' expectations
- Benefits including health, dental, vision care and a company matching RRSP program
- Full time, steady employment in a team-oriented environment and the opportunity to work in a company that is growing across Canada
- Showcasing their positive attitude and receiving recognition for the hard work that you do

We thank all candidates for their interest; however, only individuals with appropriate qualifications and experience selected for an interview will be contacted.
